Dear Mr. Kirby:

I take pleasure in extending my personal thanks to you for meeting with the senior Agency officers in our Executive Development Seminar during their recent trip to Pittsburgh. I believe it is vital that intelligence officers have a clear understanding of the concerns and responses of the private as well as the public sector in both the domestic and international settings. The Seminar participants asked that Mr. Hudspeth also be commended for the fine program at the Quality Control Center. Several commented that they were impressed by the extent and success with which you have utilized quality circles. I would be remiss if I did not also compliment you on the superb luncheon enjoyed by the Seminar participants!

Sincerely,

*William J. Casey*
